IN-PERSON SATURDAY, APRIL 6, 2024

TREDYFFRIN PUBLIC LIBRARY

Check-in, coffee & donuts starting at 9:00AM

Fee \$27 -Advance registration required Payment by check, Paypal or Venmo.

The 2024 Sailing Skills Development course this year will feature:

- For people new to sailing or who want to review basics, on-line video instruction is provided for common sailing terms, basic knots and safety & etiquette with virtual review class scheduled for the evening Friday, April 5, 7:00-8:30PM.
- The whole group morning session will focus on skipper and crew tasks for getting a large sailboat away from the dock and returning to the berth. We will try some hands-on exercises in planning for docking, including placement and handling of lines and strategies for docking in various wind conditions.
- Sailing Theory and Basics of Tacking & Gybing will be options for those new to sailing
- New Modules for Intermediate or Advanced sailors.
 - Navigating with Electronics & Electronic Charts
 - Passagemaking Tips
 - Heavy Weather Sailing
- Class size will be limited to 30 people.

See the FORM for complete agenda, registration form and instructions.
