The 2025 Sailing Skills Development course this year will feature:

- For people new to sailing or who want to review basics, on-line video instruction is provided for common sailing terms and safety & etiquette with virtual review class scheduled for the evening Friday, April 4, 7:00-8:30PM. Also included at that time will be instruction on Aids to Navigation.

On April 5th 12 modules of assorted topics will be offered:

- Sailing Theory and Basics of Tacking & Gybing will be options for those new to sailing
- Knot Tying Skill will practiced for both basic knots and more special knots
- Modules for Intermediate or Advanced sailors.
 - Docking
 - Navigating With Electronics
 - Crew Overboard Strategies

Class size will be limited to 30 people.

See the [FORM](#) for complete agenda, registration form and instructions.
